Medisoft Demo Install Instructions

*Note: It is recommended you install the demo on a computer that is not currently running Medisoft.

- 1. Copy the following link into your web-browser: <u>http://www.medisoft.com/GetLatest/File/PAWebDownload</u>
- 2. If given the option, please choose to save the file, where it will be easy to find, such as the Desktop.
- 3. If the installer does not run automatically, you may need to double-click the file to start the install.
- 4. Please check that the "Unzip to folder" (as seen below) is empty before clicking Unzip.

WinZip Self-Extractor - PAWebInstall.exe 🛛 🔀					
To unzip all files in PAWebInstall.exe to t specified folder press the Unzip button.	the Unzip				
Unzin to folder:	Run WinZip				
c:\temp B	Browse Close				
Verwrite files without prompting	About				
When done unzipping open: Poinstall eve	Help	İ			

5. Once finished, click ok, then the installer will start.

WinZip Self-Extractor 🛛 🔯			
32 file(s) unzipped successfully			
OK			

- 6. On the Welcome screen, click Next.
- 7. Select "I accept the agreement", then click Next (there will be 2 screens to accept).
- 8. Select "Install Medisoft Patient Accounting Demo", then click Next.

9. On the Select Demonstration Type screen, choose "Medisoft Patient Accounting Demo", then click Next.

🚆 Select Demonstratio	n Type 🛛 🛛
	Select Demonstration Type
	Demonstration Type
	C Medisoft Patient Accounting Demo
\$_^*	O Medisoft <u>A</u> dvanced Demo
	C Medisoft Network Professional Demo
	< <u>B</u> ack <u>N</u> ext > <u>C</u> ancel

10. Select "Custom Install", then click Next.

Select Installation T	уре	×
	Select Installation Type	
₩ **	Install Types C Express Install (Recommended) Custom Install	
	< <u>B</u> ack <u>N</u> ext > <u>C</u> ancel	

- 11. On the Select Components screen, leave both boxes checked, then click Next.
- 12. Make sure the path listed is C:\Program Files\Medisoft DEMO

- 13. If not, click the Browse button and adjust the path as necessary, otherwise click Next.
- 14. On the Ready to Install screen, click Next.
- 15. Once the install completes, you may need to make a "Medidata" folder on the C:\Drive.
- 16. If the Find Medisoft Database screen appears, click Browse.

Find Medisoft Database	
Cannot connect to the Medisoft data directory. Enter the Medisoft data directory.	🖌 ок
	Browse
	🥝 Cancel

17. In the next Find Medisoft Database screen, browse into the Medidata folder. Remember, this should not be installed on a computer currently running Medisoft, as the demo may conflict with the full program.

Find Medisoft Da	atabase						2 🛛
Look in:	🛅 MediData			~	G 💋	• 🖭
